

PROJECT SUMMARY

Support to the Center for Effective Governance System and Territorial Arrangement Reform

Total budget:	USD 157,000
UNDP Sector:	Democratic Governance
Implementing partner:	State Commission on the Effective Governance and Territorial Arrangement
Duration:	2006 –2007

The main objective of the project is to support national authorities in their efforts to effectively implement process of decentralization, major administrative and territorial reforms.

Major activities of the Center are:

- coordinate efforts of all concerned institutions for the most efficient and prompt results;
- organize and facilitate the preparation of State Commission working group meeting;
- assist in drafting necessary laws and conceptual documents in this regard, translate and disseminate them to the concerned institutions;
- disseminate relative documents to the general public through its public relations office in order to initiate public dialogue and encourage wider feedback;
- ensure timely and accurate coverage of the events in the process of the reform; facilitate elaboration of local and regional policies.
