

PROJECT SUMMARY
Support to Penitentiary Training Center

Total budget: USD 371, 392
UNDP Sector: Democratic Governance
Partner Organizations: Ministry of Justice, Penitentiary Training Center
Donor: SIDA

The long-term objective of the project is to support the strengthening of human rights and reducing the problems of overcrowding in penitentiary establishments. The development objective of the project is to raise the capacity of the newly established penitentiary training centre. The strategy puts emphasis on the capacity of different institutions, e.g. the prison and probation authorities to function fully in their roles of upholding the rule of law. For this purpose attention must be paid not only to the legal concepts but also to organisation, competence and attitudes of all categories of staff. Immediate objective implies establishment of a fully functional training centre for the prison and probation system.

Activities

1. Training of trainers to create a common set of values and spread a policy in conformity with the recommendations of the Council of Europe;
2. Design training strategies and models for the initial training, curriculum content, and teaching methods.
3. Initiating pilot courses for basic grade staff.
4. Support provision of technical equipment for the training center.
