

In 2004 UNDP issued a calendar “Our World, We Care! The UNDP - Ten Years in Georgia”. The calendar is providing an over-view of UNDP’s activities in the country. It presents information on issues like Democratic Governance, Poverty Reduction, Environmental Conservation and Management, and Special Development Situations/Conflict Prevention and Recovery.

Drawings are by participants in the children exhibition “Environment through Children’s Eyes” sponsored by UNDP on the occasion of the World Environment Day, June 5, 2003.

Calendars can be obtained from UNDP Country Office, 9, Eristavi St, 0179 Tbilisi, Georgia. E-mail: [registry.ge@undp.org](mailto:registry.ge@undp.org)
